

Procurement Policy

Document ID	PRC-POL-001
Version	2.0
Effective Date	2026-01-01
Owner	Procurement

Purpose

This policy governs purchase requests, sourcing, approvals, vendor eligibility, and procurement controls.

Purchase Value	Minimum Requirement
Below 25,000 AED	Direct purchase may be allowed with manager approval.
25,000 to 100,000 AED	At least three comparable quotations are required.
Above 100,000 AED	Procurement Committee approval is required.
Strategic or sensitive purchase	Procurement Head review is required regardless of amount.

Vendor Eligibility

Vendors must have a valid trade license, active tax registration, bank account confirmation, completed registration form, and acceptance of the supplier code of conduct.

Non-Compliant Vendors

A vendor with an expired trade license, missing tax registration, or unresolved compliance issue may not be approved until the issue is resolved.

Conflict of Interest

Employees involved in procurement decisions must disclose any relationship with vendors participating in the process.
