

Supplier Code of Conduct

Document ID	PRC-COD-001
Version	1.0
Effective Date	2026-01-01
Owner	Procurement and Legal

Purpose

Suppliers must comply with ethical, legal, confidentiality, and service quality expectations.

Core Requirements

- Comply with applicable laws and regulations.
- Avoid bribery, gifts intended to influence decisions, or conflict of interest.
- Protect confidential and client information.
- Provide accurate company, tax, and banking information.
- Report any compliance issues that may affect service delivery.

Area	Supplier Obligation
Ethics	Act honestly and avoid improper influence.
Confidentiality	Protect confidential information received during bidding or delivery.
Labor	Respect fair labor and anti-discrimination principles.
Security	Follow security requirements when accessing company or client systems.

Breach

A material breach of the code may result in suspension, rejection, or removal from the approved vendor list.
